Smith's home 2 introduction

We have updated Smith's home 2 to new version 3.0, there has a lot of changes in new version. You can find this package in https://www.assetstore.unity3d.com/en/#!/content/36495 .

In Smith's home 2 package there has 1 living room, 1 dining room, 3 bedrooms, 3 bathrooms, 1 kitchen and 1 swimming pool.

Thank you very much!
